C A N A D A	IN THE MATTER OF THE NORTH-WEST QUARTER OF SECTION SIXTEEN (16), IN TOWNSHIP THIRTY-TWO (32), RANGE TWENTY (20), WEST OF THE FOURTH MERIDIAN.
PROVINCE OF ALBERTA	
TO WIT:	

I, MARK BENNETT PEACOCK, of the City of Calgary, in the Province of Alberta, Solicitor, make oath and say:-

1. That I am Solicitor for Ernest R. Proby, who is the entrant to the North-West Quarter of Section 16, Township 32, Range 20, West of the Fourth Meridian.

2. That the said Ernest R. Proby advised me that he made application for a Patent for said land some time ago and that his entry had been approved of by the Dominion Land Office at Rowley when he left the place on account of family trouble.

3. That subsequently Ernest R. Proby advised me, and I verily believe, that he went back and resided on said premises and again made proof before the Land Office at Calgary.

4. That the said Ernest R. Proby then went out in the country to work for a farmer and that since that date I have not been able to ascertain his whereabouts although I have written him several letters and advertised in the local papers, asking him to advise me of his present address, and that I verily believe the said Ernest R. Proby is engaged in farming operations some where in the Province of Alberta and thinks he has a Patent to the above land.

5. That I leased for the said Ernest R. Proby, under a verbal lease, his homestead, for which a Patent had been issued, as the Mortgage Company threatened, unless same was leased, to apply for a sale of the premises at once as wild land tax would accrue and the place would become infested with noxious weeds and the Mortgage Company could not recover insurance on the buildings unless the place was occupied.

6. That I subsequently advised the tenant that he could have the use of the above land, which was included in Froby's pre-emption, provided he would pay the Government the taxes on said property and perform the local improvement work assessed against said land.

7. That neither Ernest R. Froby nor any one else, save as above mentioned, is receiving any benefit from the said premises, and that if the Department, under these circumstances, so desires it I am prepared to advise the tenant to vacate said premises and leave same as a common pasturing ground for the neighboring cattle, but that in such event it will be necessary for Mr. Froby or some one else to erect a legal fence between the pre-emption and homestead as otherwise the cattle pasturing on the pre-emption would have free access to the crop grown on Mr. Froby's place.

8. That save as aforesaid this is the only lease which has been granted on said premises and that the amount received for the lease of the homestead does not amount to sufficient to pay anything like the interest on the first Mortgage and the taxes, the total rent received last year being less than $15. for the homestead.

9. That I am informed and verily believe both the homestead and pre-emption are rough quarters of land and are in the immediate vicinity of Rowley and that even if a Patent were granted the pre-emption would not bring more than from $1,000.00 to $1200.00, and this extended over a number of years.

A Homestead Inspector reports that this land is unoccupied and that W. Williamson left the district several years ago and his present address is unknown.

As your municipality may have certain outstanding taxes against the land, you might be good enough to advise me as to any actual sale of the title, and I might add for your information that the Dead Grain indebtedness outstanding amounts with interest to 31st March last, to $30.48.

Re: Account of Robert Williamson
S.E. 2-35-12 W. 4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1912 seed grain amounting to $18.00 was advanced to Robert Williamson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$18.00	$37.78	$55.78

Patent was issued in the name of Robert Blackwood Williamson for the S.E. 2-35-12 W. 4 on the 21st of March 1914, subject to the 1912 lien.

This quarter section is of low assessed value and taxes have been accumulating against the land since 1927, and apparently the municipality has not considered the land of sufficient value to bother acquiring title under tax recovery proceedings, and there is now arrears of over $500.00 outstanding against it.

The information obtained indicates that the land is such that it no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

W.J. Taylor.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment and the liens discharged.

you decide to favourably consider a sale of the land at this point for divisional purposes to this Company. There is apparently no reason why the above mentioned lands should not be sold to the Company at the rate of $5 per acre.

The fractional W½ 26 is the homestead of [illegible]. Forgerson. Cancellation proceedings were instituted on this 4th January last, but are at present held in abeyance pending a Homestead Inspector's report. According to the homesteader's declaration as contained in his declaration of abandonment, dated 12th April last, he has been in continuous residence since the 4th January last on his 2 acres cultivated and $75 worth of buildings. His entry is apparently in good standing, and I beg to recommend that the proceedings be discontinued, and if the Company's application be favourably considered that it be allowed to purchase this land at $5 per acre.

The fractional S½ 27, South and East of the river, stands as a sale to A. E. Weir but has not yet been paid for in full. If the Company's application is approved it would have to secure a deed of transfer from Mr. Weir and complete the payment of principal and interest due the Department in connection with the sale to him. In this case no additional charge should be made for the land. The fractional N½ 27, South and East of the river, stands as a sale to Mr. A. Forgerson, subject to his existing patent for his homestead, the N½ 26. The Company has made here an abandonment in its favour, but I think a deed of surrender transfer would convey a better title. In this case the Company must complete the payments of principal and interest in connection with the sale to Mr. Forgerson, and no additional charge should be made for the land.

Respectfully submitted

Memorandum.

Lands Minister.

I beg to submit an application from the Canadian Northern Railway Co. to acquire the following lands, comprising about 200 acres for townsite purposes:-

The Company is establishing a divisional point at the above mentioned location, which is at the junction of the Lookout and Abitabuin rivers on the Canadian Pacific and Canadian North Western Railway. There are three large barrages planned for the position of the lower most dam, which are situated about 2½ miles north east from the Canadian Pacific Railway. It was decided to purchase a adjoining quarter townsite, and it would appear to me that the N.C.R. Co. Company is now applying for would probably be a more important divisional point.

The title of Section 26 is held under Homestead entry by Messrs. J.J. Mackenzie, D.C. Gillies, D.D. McKenzie and F.J. Gillies. These can be acquired through ordinary agreement from owners, and should have been cited in favour of the Company, and if

Sir,

I has been represented to this office that Bertha C. Penger who holds military homestead entry on the north half of section 20- 30- 3, west of the Fourth Meridian, failed to make payment of the value of the improvements on the north-west quarter when her entry was granted at this office on August 30th, 1911. As far as the records here show there appeared to be nothing on the land, and I shall be glad if you will kindly visit the half section the first time your duties take you into that vicinity, and furnish a report in regard thereto.

An application has been received here from Jas. S. Gribbin for cancellation of the entry, the applicant stating that at the time the entry was granted the improvements consisted of a small garden, about a half an acre, a twenty-five foot well and a small house valued at between $75. and $100. Kindly look into the matter as soon as possible.

Dear Sir:

With regard to the application for cancellation on NW¼ of Section 20-30-3, West of the 4th Meridian, will say that Mr. Macgee has not yet called upon me but we understand he has been in Alsask, Sask, and taken testimony of several men in a Row at the time of our return to our homestead in 1911 we found Mr. Bliss and family located in our shack on Sec. 19-20-3, west of the 4th. Mr. Bliss having made entry on N.W.¼ of Section 20-30-3, west of the 4th Meridian of land in question. He being a consumptive and also financially embarrassed I gave him the use of a granary and let him place it on his homestead until such time as he would be able to build a sod shack. He never built the sod shack but threw up the homestead in July of same year. As no improvements we making use of the opportunity in 30 days filed this scrip on same. Mr. Spicer of Alsask office also the man in Calgary Office advising us to take it same as former man had thrown it up, or as no improvements as the granary was already ours. Hoping this will help to explain matters and also waiting an early reply, I remain,

Resp. yours.
Mrs. Bertha E. Wenger.
Per. E. B. Wenger.

P.S.

I have proof of the building being ours as our own team drew the lumber and we have the original receipt from the lumberman. This man being a consumptive we did not wish to live in the same house with him.

General Remarks Continued:—

Sir.

The cancellation is the result of a local quarrel & as far as I was able to gather the facts are as follows.

Mr Wenger (the husband of the entrant) took his wife & family to the states for the winter of 1910-11. On his return he found Mr & Mrs Bliss & family occupying his shack. As Mr Bliss was a consumptive & without funds Mr Wenger rather than turn the Bliss family out, took his own team went to Atwater with Mr Bliss & guaranteed the payment of the lumber for a shack which guarantee was made good as the accompanying voucher will show.

Mrs Wenger at time of filing regarded the shack as the property of her husband & made no declaration. The well which did not contain any water was partly filled up with stones by Mr Bliss & the garden patch was broken by Mr Wenger for the use of Mr Bliss at time shack was built. As stated above the whole thing is open to & I would recommend that the cancellation proceedings be abandoned.

Please return lumber bill to Mr Wenger Atwater P.O. Alta.

Sir,-

Referring to the Departmental letter of the 30th ultimo forwarding to me file No. 2142520, and requesting that I investigate the complaint against Mrs. Bertha Wenger that she had performed no actual residence on her South African Land Grant for the North Half of 20--30--[illegible]. of the 4th M., but had resided with her husband on his land, the South half of Section 19 in the same township,. I beg to say that I requested Mrs. Wenger, her witnesses to her application for patent and the parties laying the complaint against her, viz: Messrs. John Ozust, Edward Michels, M.C.Aldin and Isaax S. Wenger to mee me in Oyen on the 14th instant in order to go into this matter.

On my arrival there, I found these parties awaiting me together with four others and I deemed it advisable to take sworn evidence from them, which I did, and which you will find attached to Head Office file herewith.

According to the evidence submitted, it appears to be quite clear that Mrs. Wenger did not perform her duties in a manner to entitle her to patent - the evidence of the witnesses to her application for patent does not bear out the facts as stated therein.

I may say that after the inquiry was over, Mrs. Wenger interviewed me and claimed she was not aware that all these parties would be there to give evidence against her and that were she given the opportunity, she could produce

MEMORANDUM:

Mr. HYDE.

L.½ of 20-30-3-W. of 4th.
W.B.L.C. of Mrs. Bertha C. Wenger.
Patented 14th December, 1914.

Please refer to your memorandum of the 16th of March in reference to the complaint against Mrs. Wenger. From the evidence accompanying Mrs. Cuttle's report of his investigation it appears that while the entrant may have performed the required 6 months residence in 1911-12; the evidence of five, if not six, witnesses who testified before Mr. Cuttle shows that this woman could not have performed the required residence in either of the years 1913 or 1914 and that in 1913, at least, the shack on her land was not habitable but was used for storing grain.

The evidence is strongly against Mrs. Wenger; in her own evidence she admits absence in 1913 while she was laid up; which according to the evidence of John K. Spooner, one of the witnesses to her application for patent, would be in the neighborhood of two months. She states she is "positive she slept six months in 1913 and 1914 (in her shack on this land), but in another part of her evidence states she slept there "just as often as I could" and "practically all the while" but does not by any means establish a claim as to completely fulfilling the requirements as to six months residence in either of these two years.

Q- You saw grain in the shack in the winter months?

A- Yes and there was no door and the windows were boarded up

Q- Are there windows in it now?

A- Well I have not been around lately.

I should just like to tell you something - the man who had this land before Mrs. Wenger - a man by the name of Bliss offered to locate me for $100.00 and after making some inquiry he admitted it was his own land. He was sick and wanted to go to the States. I declined to have any dealings with him and that was the same land that Mrs. Wenger filed on afterwards. He made the same offer to another fellow too; that he would abandon his place for $100.00 and stated there was a shack on it, a patch of potatoes and a fire guard around it - they made the statement there were no improvements on it and there was a shack and a little ploughing.

Herman Rudolf sworn:

Q- Do you know Mrs. Bertha Wenger?

A- I do.

According to the evidence submitted, it appears to be quite clear that Mrs. Wenger did not perform her duties in a manner to entitle her to patent - the evidence of the witnesses to her application for patent does not bear out the facts as stated therein.

I may say that after the inquiry was over, Mrs. Wenger interviewed me and claimed she was not aware that all these parties would be there to give evidence against her and that were she given the opportunity, she could produce several witnesses, living in the vicinity, who would be in a position to give evidence in her favour. I am of the opinion, however, that it would be difficult for her to secure those witnesses as those who have given evidence would appear to be nearest the land. I advised her that the matter would be considered by the

MEMORANDUM.

Mr. Hume,

N.½ of 20-30-3-W. of 4th
V.B.L.G. of Mrs. Bertha G. Wenger.
Patented 14th of December, 1914.

Please refer to our memorandum of the 18th of March in reference to the complaint against Mrs. Wenger. From the evidence accompanying Mr. Cuttle's report of his investigation it appears that while the entrant may have performed the required 6 months residence in 1911-12; the evidence of five, if not six, witnesses who testified before Mr. Cuttle shows that this woman could not have performed the required residence in either of the years 1913 or 1914 and that in 1913 at least, the shack on her land was not habitable but was used for storing grain.

The evidence is strongly against Mrs. Wenger; in her own evidence she admits absence in 1913 while she was laid up; which according to the evidence of John Y. Spooner, one of the witnesses to her application for patent, would be in the neighborhood of two months. She states she is "positive she slept six months in 1913 and 1914 (in her shack on this land), but in another part of her evidence states she slept there "just as often as I could" and "practically all the while" but does not by any means establish a claim as to completely fulfilling the requirements as to six months residence in either of these two years.

Sir:-

[illegible].

[illegible] states that he called at Mr. Benger's [illegible] April and Mrs. Benger was not there and he [illegible] she was sleeping in her own shack, but he cannot say that he ever saw her in residence himself. He is of the opinion that she has performed the required duties and when witnessing her application he gave it to the best of his knowledge as he believes she has done sufficient.

[illegible] Mrs. Benger.

[illegible] time she went into residence about the 1st September, 1911; stayed there until the 1st November, and in 1912 went on the land 1st April and, as near as she can remember, slept there until the 1st November, 1912. She admits herself that she did not sleep there every night as sometimes the weather was bad, but is satisfied she put in sufficient residence. In 1913 she started about the 1st May and was there until the middle of September, as near as she can remember, and in that year she did not sleep on the land every night as there were times when she was not physically fit to go over to her shack, [illegible]

In 1914 she commenced residence about the middle of March and stayed there until the middle of August. [illegible] went to the shack at [illegible] times at night and left about four in the morning as she is an early riser.

The evidence in this case, as already pointed out, is very unsatisfactory and I agree with Mr. Battle that it would be next to impossible to obtain corroborative evidence of Mrs. Benger's residence, and personally I am doubtful if she put in the required time. On the other hand we have been unable to obtain satisfactory evidence that she did not put in the time and a good deal of the evidence furnished both for her is from parties who have admitted they are not on friendly terms with the Benger family. I do not think we [illegible] much stock in their evidence.

In summing up the whole matter I would be inclined to let this matter drop and allow patent to issue as I fail to see what good will be accomplished by going any further into the case. It appears the Bengers are good farmers and are cultivating their land and in that respect a benefit to the country.

[illegible].

[illegible] for Mrs. Benger in [illegible] after 10 o'clock every night. Outside of that he is not in a position to give any evidence.

[illegible].

States Mr. Benger kept on her place for [illegible] months in 1912, but that it is hardly probable [illegible] any residence in 1913 as the [illegible] unsuitable. [illegible] might have been there without his knowing, and that [illegible] have slept there [illegible] for nights in 1914, but not six months as she was always at her husband's [illegible] when he visited them at night.

[illegible]:

States that he believes Mrs. Benger put in some residence in 1912, but is not prepared to say how much. He states in 1913 she could not have put in any residence as the house was not habitable.

[illegible].

States he is not in a position to furnish evidence as to 1911 and 1912, but in 1913 he worked for Mr. Benger a mile and Mrs. Benger was always at her husband's shack when he left it night - about 7 o'clock, and was always there getting breakfast when he returned in the morning about five or six. In 1914 he is of the opinion that she did not live on her land.

[illegible].

States he knows nothing about 1911 residence but never saw anyone there in 1913, 1913 or 1914, will not swear she did not put in any residence, but he never saw a light in her shack.

[illegible].

States he is not in a position to furnish any evidence.

[illegible].

States he knows nothing about 1911 or 1912, but in 1913 he [illegible] before eight about five o'clock [illegible] to sleep. That is all the information he can give.

[illegible].

States he knows nothing about 1911 residence, but in 1912 a school meeting was held in her shack and the place was fixed up fit for any person, and there was nothing to hinder her from sleeping there as she had a good bed. Other than that he is not in a position to say.

from the Minister's Office were to have further evidence taken under oath. Mr. Cuttle was instructed to again investigate and the result of his investigation is now to hand.

You will note by looking at his report that the evidence obtained is very unsatisfactory and Mr. Cuttle himself states it is so and states it is another case of husband and wife having Scrip entries adjoining each other and their shacks but a few rods apart. He says it is an absolute impossibility to get witnesses who could swear positively to the fact that a person holding such an entry under such circumstances has slept on his or her own land for six months in each of three years. In this case not even the witnesses who corroborated her application for patent can swear as to actual dates.

You will also note that the parties who were witnesses against Mrs. Wenger, according to Mr. Cuttle's information, are not on friendly terms and it is quite probable that spite has been the ground for the complaint. In view of this and the fact that patent has already been issued, Mr. Cuttle is in favour of letting the matter drop and allowing the patent to stand.

The gist of the evidence furnished by Mr. Cuttle is as follows:-

HENRY HEINZ,

States with reference to residence not definite, but does not think she performed bona fide duties. He admits he could have slept in her shack on her own land without his knowing. You will note that the homesteader is unfriendly to Mrs. Wenger.

EMMA HART.

Cannot give any definite information, but he has there operating in 1912 and later going to her shack at night.

John Cozart.

Admits he never was near at the time and has no definite facts. He also states that the shack was used in April and 1914 for a granary.

[illegible] A. [illegible].

Cannot give dates but knows she was living on her own [illegible] he could see a light there, and is prepared to swear that residence duties have been done. He also states that the trouble in this case was arisen more through spite and jealousy than anything else and that he heard a certain class say they would do her harm. He also heard threats made.

MEMORANDUM:

Patent issued to MR. HUME.

N.½ of 20-30-3-4. 4th M.
H.A. Land Grant Mrs. E. Senger.
Date of entry 30th August, 1911.
Land patented 14th December, 1914.

After patent was issued in this case a complaint was made by Mr. J. J. Whitten that the duties had not been performed in accordance with the regulations, and his evidence was supported by statutory declarations signed by four persons residing in the vicinity.

When Mr. Whitten's complaint was received the matter was placed in the hands of Mr. Cuttle for investigation and on the 23rd April, 1915, he reported. From the evidence accompanying his report it appeared that while Mrs. Senger may have performed six months' residence in each of the years 1911 and 1912, her claim to residence in 1913 and 1914 was entirely discredited by the evidence of most of the witnesses. Witnesses claimed that in 1913 the shack was not habitable and was used for storing grain.

All of the evidence was strongly against Mrs. Senger and in her own statement she admitted that she was absent in 1913 while laid up, but stated she was positive she slept six months in 1913 and 1914 in her shack on her own land, but in another part of her evidence she stated she slept there just as often as she could and practically all the time.

When this information was received the case was again submitted and the instructions

Re: Jonas D. Wenger,
E.½ 19-30-3-W.4th M.

In this case the Seed Grain, Fodder and Relief indebtedness has received the investigation and recommendation of the Adjustment Board of Alberta as per their reports of April 25th, last, on file hereunder. The indebtedness which was incurred by Jonas D. Wenger on the security of the E.½ of 19 amounted to $498.62 and was a charge against the patented quarters owned by the debtor being the S.E. of 19 and N.½ of 20 and also as a charge against his Cancelled Pre-emption, the N.E. of 19 now re-entered for by one, Cornelius Regehr. The latter paid $10.00 for improvements which has been applied on account and the Board recommends that no portion whatever of the indebtedness be retained as a charge against this new entrant. They also recommend that the sum of $351.60 be accepted from the debtor as payment in full leaving a balance of $147.22 which they recommend be written off.

Their recommendation appears just and equitable and I would suggest the preparation of the necessary Memorandum to Council.

Yours of the 16th. inst. addressed to me at Lethbridge and forwarded to me here, came to hand some days since, and in reply to say I received on the 1st. inst. [illegible] this claim a sworn statement that I was then living on my homestead, viz. N.W. 1/4 of Sec. 20, Twp. 11, Rge. 22, West of the 4th. Meridian. Dear Sir.

I homestaded the West Half of Sect. 36, in Township 28, Range 6, West of the 4th. Meridian in the province of Alberta, in the month of May, 1911, and during that summer, built a house on the farm, and broke Fifteen acres, and received your permission to remain away from the place till the first of may 1912. This permission was given because there was sickness in my family and I could neither leave them at Bethune Sask, -my former place of residence- , nor bring them away from there to this farm.

Between the first of May 1912 and the same month in 1913, I built six months in this farm cropped Fifteen acres and broke Thirty acres more, and during this summer, (1913), I have cropped Forty Five acres, and broken an additional thirty acres, and by the end of October, I will have completed my second six months residence.

Will you allow me to do my third six months residence, between the first of November 1913 and the first of May 1914, so that I may apply for Patent in June or after 1914?

Awaiting your reply and thanking you in anticipation,

HOMESTEAD BRANCH

Dear Sir.

On the 24th. of September, last I sent you a statement of the work done on my homestead, S. E. Warrant, The West half section 28, in Township, 2o, Range 9, West of the 4th. M. and asked that I be allowed to make application for patent, on or about the first of June next.

The request was refused, but I am writing to know if you will reconsider the matter. I have four helpless children and a wife who is very little better than an invalid, to support, and owing to the almost total loss of our crop by hail and drouth, last year, my resources are completely exhausted, and a homesteader's credit is of no account here.

If I could make application for patent on the date above mentioned, it would add considerably to my credit, and relieve the distressing circumstances that now prevail.

Awaiting your reply and thanking you in advance,

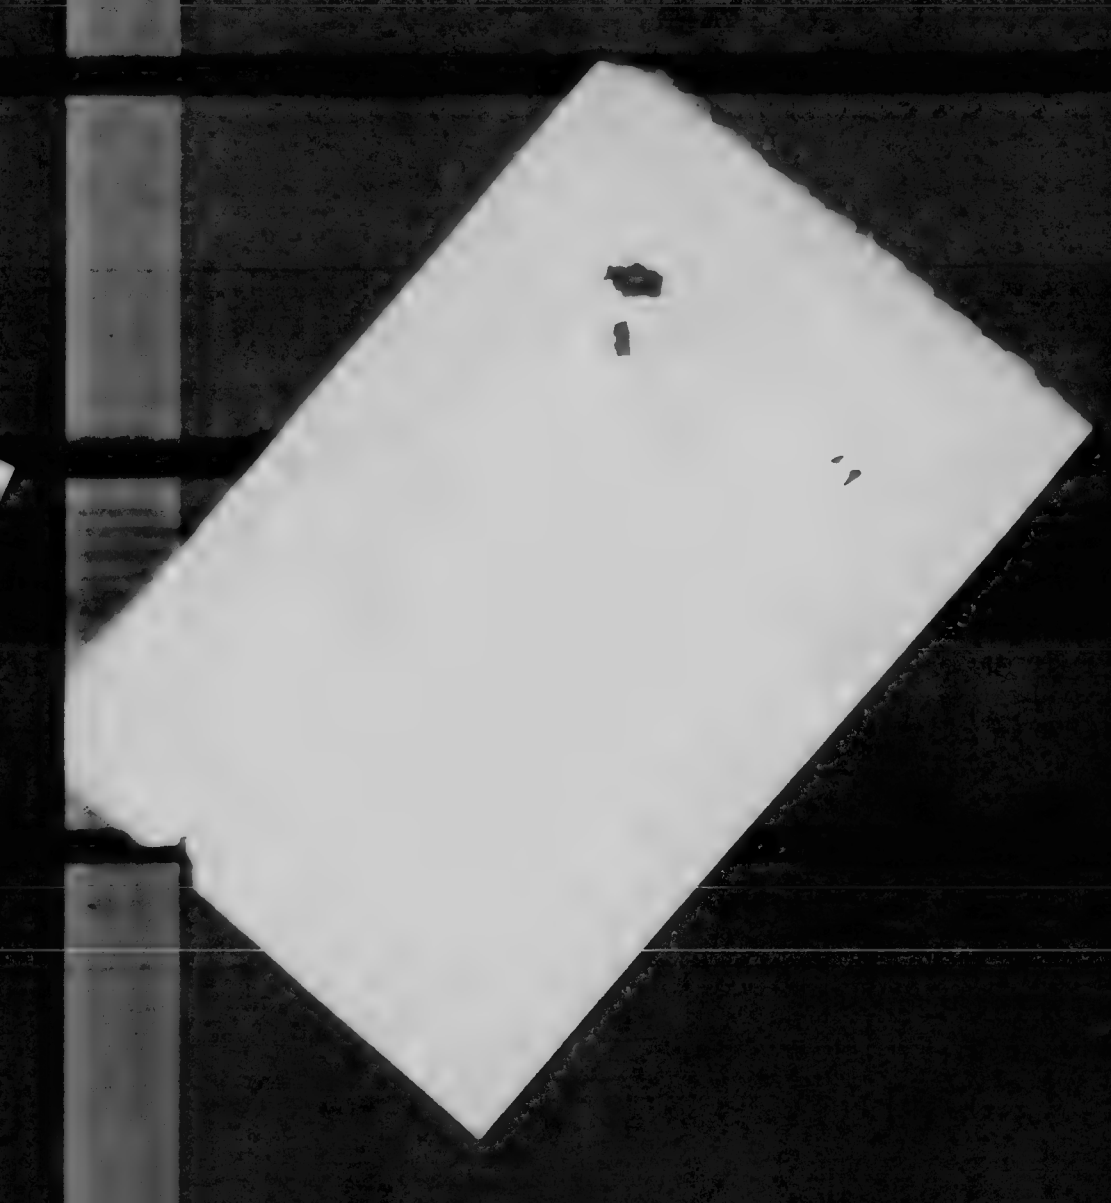

I am,

Yours truly,

F. [illegible] Clough.

Dear Sir.

Would you be good enough to allow me to apply for patent of my homestead, the East half of Sect. 32, Township 20, in Rge 8, west of the 4th. M. (S. A. warrant.)

I have done more residence, cultivation, and building on the land, than the law requires, and my resources are entirely exhausted.

My crop last year was an almost total loss, and this year it is worse. I have absolutely not means which to support a family of 3 helpless children, and wife.

We came here with plenty to support us, under ordinary circumstances, but the drouth of last summer and of this year, has been ruinous, and as already said, our means are entirely exhausted. Our crops this year are an absolute failure, we shall not raise enough for seed, let alone anything on which to live during the coming winter, and if you can allow me to apply for patent at once, it will assist greatly, and your kindness will not soon be forgotten.

[illegible]

Sir,

Re [illegible]

I beg to notify you that payment is required of your indebtedness for seed grain advances by the Government in [illegible]14 amounting to [illegible] and interest thereon from 29th June 1914 to date of payment at [illegible].

Your obedient servant,

N. C. [illegible]TÉ,

Acadia Valley, Alberta, March 3rd, 19[illegible].

Mr. The Controller, Land Patents Branch,

Department of the Interior, Ottawa.

Dear Sir,

Re: Ill. No. 4[illegible]

Yours of the 2nd. Inst. to hand, regarding my indebtedness to the Government, to the amount of $[illegible].00 for seed grain last year.

In reply, I beg to say: I am endeavoring to harvest some crop on this land at the present time and should as soon as I do, this debt will be the first to be paid.

All this is satisfactory to you, I might add that owing to the unfavorable nature of the last three years, our resources are greatly reduced, and still we can harvest many of the last, we cannot meet this account. Trusting this will not cause you great inconvenience, I am,

Yours truly

Sir,

Re W.½ of 31-25-3 W. 4th M.

Replying to your letter of the 3rd instant, in regard to the indebtedness for seed grain in connection with the above described land, I beg to say that it will be satisfactory to the Department if payment of this indebtedness is made within a reasonable time. I may add that the Department has no desire to unduly press you for payment.

Mr. The Controller

Lands Patents Branch,

Department of the Interior.

Ottawa.

Dear Sir. Re: File No. 142641

Would you kindly have my seed grain liens, and liens for provisions, registered against the N. W. Quarter of Sect. 26, Tp. 3. West of the 4th. Meridian, instead of against the west half of the same section.

The reason for this is, that I want to mortgage one quarter section of the land for cash to carry on business, and the amount that the loan companies are giving on a quarter, now is so small that if there is anything against the land by way of liens, they do not care to lend anything on it.

Yours truly

E. . Clough.

Replying to your letter of the 1st instant, requesting that your seed grain and provision liens against the above described land be registered against the S.E.¼ of the section only, I beg to say that, in order as the lien for $75.00 for seed grain advanced in 1914, which has been registered against the half section, your request cannot very well be complied with. With regard to the liens for relief and seed grain advances this season, I may say that a copy of your letter is being forwarded to Mr. J. IMMIGRATION BRANCH

Winnipeg,

July 31st, 1915

Sir:—

The Seed Grain or other advances made to you by the Dominion Government in the Winter of 1914-15 are, under the terms of the Mortgage Agreement entered into by you and the legislation governing the transaction, payable at the time the crop grown during the year 1915 is sold. I am therefore directed to notify you that the amount of such advances is required to be paid when you market this season's crop.

Arrangements have been made by the Government with the respective grain purchasing interests and railway companies (these being the agents of the Government for this purpose) under which there will be set off or secured against the proceeds of the grain marketed by you the amount due by you. The receipt of the elevator representative or the member of the Grain Growers' Association or other licensed grain buyer, or of the railway company (which will endorse the amount payable to the Government on the Bill of lading in the case of grain shipped by the grower before sale) will be delivered to you and will be evidence that you are entitled to a discharge of the lien or mortgage. These receipts will be on forms furnished by the Government to the grain purchasing and shipping interests. Information as to the amount of the advances and particulars of the location of the land charged with payment will be in the possession of these respective interests at the points at which you market your crop.

Your obedient servant,

The government holds a lien against (illegible) the west half of sect. 22 (Thirty three) in township 22 (Twenty five) in range 8 (Three) west of the fourth Meridian, for some $600.00.

I wish to mortgage one half of this land, what proportion of this lien will I have to pay in order to clear one half, or 160 acres of this land?

Can I have the lien removed without paying it, and from the north west -carter, and set against the south west -carter, in order that I might mortgage the northwest west -carter

An early reply will be thankfully received

N.W.¼ of 33-25-3 W. 4th M.

I beg to inform you that representations have been made to this Department that the liens for $75.00, $147.75, $195.35 and $110.50, given to His Majesty in the right of the Dominion of Canada by E. J. Cleugh in connection with the W.½ of Section 33, Township 25, Range 3, West of the 4th Meridian, should not cloud the title to the N.W.¼ of said Section 33, which has been purchased from Mr. Cleugh by one W. F. Peers and it has been decided that the said N.W.¼ of Section 33, may be released from the liens in question in view of the fact that a substantial payment has been made on account of the indebtedness and the S.W.¼ of Section 33, Township 25, Range 3, West of the 4th Meridian, is regarded as ample security for the payment of the balance due.

You are therefore hereby authorized and requested to remove the liens enumerated above in so far as they affect the N.W.¼ of Section 33, Township 25, Range 3, West of the 4th Meridian.

A copy of this letter is being sent to Messrs. Clarke, Carson, MacLeod & Co., Barristers, Calgary, Alberta, who has written to the Department in this case.

There is no Seed Grain application on file covering the 1914 Seed Grain advance. The lien executed for that indebtedness shows that he received 110 bushels of oats and 40 bushels of grain (not specified). In connection with the 1918 Seed Grain, the lienee declared 75 acres ready on the S.½ of 32-[illegible]-3-[illegible].4th, for which he received 50 bushels of wheat and 75 bushels of oats.

Patent issued to the lienee for both quarter sections under date of December 30th, 1914, subject to the 1914 lien attached.

Messrs Clark, Carson, MacLeod & Co., Barristers at Calgary under date of June 19th, made representations on behalf of the Netherlands Transatlantic Mortgage Company, in connection with the S.½. 32-[illegible]-3- .4th, and remitted a payment of $200.00 to be applied towards the credit of the account with the request that the liens be released, in so far as they affect title to the S.½, which was fully approved and the Registrar at Calgary was authorized to remove the liens in question under date of August 18th, 1919.

In view of that action the Department has no other security than the S.½, section 32. There is no Homestead Inspector's report on file.

The records indicate that the lienee has been repeatedly communicated with regarding his indebtedness and in reply to our annual statement directed to him in 1918, he stated the following:

Dear Sir:

Re: Dominion and Municipal Liens
Edward John Cleugh
W½ 33-25-3-W.4th

Edward John Cleugh obtained the following advances from the Department of the Interior:-

1914	Seed Grain	$75.00
1915	Seed Grain	147.75
1915	Fodder	22.00
1915	Fodder	28.00
1915	Relief	40.00
1915	Relief	215.85
		$528.60

By repayments made by the debtor or on his behalf, the indebtedness has been reduced until it stood as at March 31st 1929, as follows:-

Principal	$342.96
Interest	234.81
	$577.77

Liens were registered on title to NW¼ 33-25-3-W.4th but were removed on August 16th 1918, upon representations made by Messrs. Clarke, Carson, Macleod and Company on behalf of the Netherlands Investment Company of Canada, Limited, who held a prior mortgage on the property, and upon payment by them of $200.00 on account. This payment is included in arriving at the unpaid balance shewn above.

Liens for $75.00, $147.75, $195.35, $110.50, $147.75 and $255.85 are registered on title to SW¼ 33-25-3-W.4th.

Edward John Cleugh also obtained the following seed grain, and relief advances from the Municipal District of Acadia #241 and a land lien for each advance was registered under the number shewn opposite to it on title to the quarter section also mentioned:-

S. J. Fream, Esq.,
2-23-141-19

May 2nd 1922	54.35	# 628 DY	S.W. 33
	$993.35		

He has made a repayment of $13.00 on account of seed grain indebtedness which left the undermentioned unpaid balance outstanding as at December 31st 1928:-

Principal	$993.35
Interest	671.54
	$1664.89

March 17th 1920	$108.00	#7909 CY	S.W. 33

November 22nd 1922	30.00	#8356 CX	S.W. 33
	$216.80		

He has made no repayment on account of relief indebtedness which amounted as at December 31st 1928 to:-

Principal	$216.80
Interest	116.00
	$332.81

By foreclosure by the Netherlands Investment Company of Canada Limited of their prior mortgage on N. W. 33-25-3-W.4th, as a result of which, title vested in them on October 23rd 1924, those liens registered by the Municipal District on title to that property have been removed.

The liens which were registered on title to S.W.¼ 33-25-3-W.4 still constitute a charge on that property.

On July 24th 1925 title to S.W.¼ 33-25-3-W.4th was acquired by the Municipal District of Acadia #241, as a result of proceedings under the Tax Recovery Act 1922. They have sold the property to one, Robert Wyman Shannon, for $500.00 subject to assumption by him of liability for the indebtedness under the Dominion liens.

Shannon has applied for adjustment of this indebtedness and the Municipal District have applied for adjustment of the indebtedness under the seed grain and relief liens registered by them.

After deduction of the sale costs amounting to $5.00, the balance of the proceeds of the sale by the Municipal District amounting to $495.00 has been distributed pro rata amongst the claims for taxes and for the indebtedness under those Municipal seed grain and relief liens which form a charge on S.W.¼ 33-25-3-W.4th.

5409136

J. Pr-am, Esq.,
-KD-[illegible]-19

The claims are as follows:-

Taxes	$447.93
Seed Grain liens	823.27
Relief liens	321.33
	$1592.53

The amounts payable for release of the Municipal liens are as follows:-

Seed Grain	$255.21
Relief	99.61
	$354.82

In submitting his application for adjustment of the Dominion [illegible]ens Robert Wyman Shannon has tendered the sum of $250.00 as consideration [illegible]r their release from title to S. W. 33-25-3-[illegible].4th.

This property is situated in a dry district, the soil is [illegible]colate and sandy loam, it is somewhat rocky. In view of valuations secured [illegible]me from reliable sources I am of the opinion that the sum of $750.00, [illegible]ng the total of Shannon's payment to the Municipal District and of [illegible]e sum offered by him for release of the Dominion Liens, represents the [illegible]r sale value of the property at the present date.

It would be impossible in any event for either the Depart-[illegible]nt of the Interior or the Municipal District to recover the full amount [illegible] the indebtedness under their liens. Furthermore it should be noted [illegible]at the sum of $250.00 represents more than the sum which would be [illegible]otted to the Dominion liens were a total sale price of $750.00 divided [illegible] rata between taxes and Dominion and Municipal liens.

The purchaser is a farmer in the dry belt and his financial [illegible]ition is not good. This settlement will assist him and bring an un-[illegible]ductive quarter section in the dry area, under cultivation.

I therefore attach my cheque for $250.00 payable to the [illegible]nancial Controller and recommend that the Dominion Liens registered on [illegible]le to S.W.¼ 33-25-3-W.4th be released.

Edward John Cleugh has left the Acadia Valley district and [illegible] present address is unknown to both the Dominion and Municipal collection [illegible]horities.

There is practically no likelihood of collecting from him [illegible]er his personal covenant and as there will remain no further security for [illegible]e Dominion Liens, I recommend that the unpaid balance of his indebtedness [illegible] written off by the Department of the Interior.

I also attach hereto my cheque for $354.82 payable to the [illegible]artment of Municipal Affairs for application to the account of Municipal [illegible]rict #241 and recommend that the undermentioned unpaid balance be

Dear Sir,- Suppose a person received his patent for a homestead and that he is now residing on ½ section of scrip land and is also holding a purchased homestead separated from his scrip land by a road allowance only, has that person the privilege to fulfil the residence duties in connection with his purchased homestead by living on his scrip land! Would he need to build a house on the purchased homestead or would the one house on his scrip land be sufficient? Could he break the required 30 acres either on his purchased homestead or on his scrip land, or could he break the 30 acres required on the scrip land on the purchased homestead.

A map made out by the surveyor showing the scrip land and the purchased homestead would be sent to you if you require it.

until the following Aug. 15th to. In the meantime, he made entry for a purchased homestead on Mar. 3rd, and found that the date of entry was such that it was impossible for him to, during the first year, get in his six months residence on each as required by regulations, would the Department grant him leave of absence on his purchased homestead, for such a time as would enable him to get in his residence on each?

Homestead years, we are told, can be computed either from the date of entry or from the date of commencement of residence.

If Mr. Jones entered for his land on July 12th/10 and resided thereon from the following Oct 11th to Jan. 1st, 1911, then left and returned and resided thereon from July 11th, 11 until Oct 11th, would this according to reckoning from the date of commencement of residence count as one year residence?

Will you look at the form in this case and you will observe the manner in which the witness J. L. West corroborates the residence.

It is a Volunteer Bounty Land Grant case and when the man was not on the land he states that he was teaching in Western Canada.

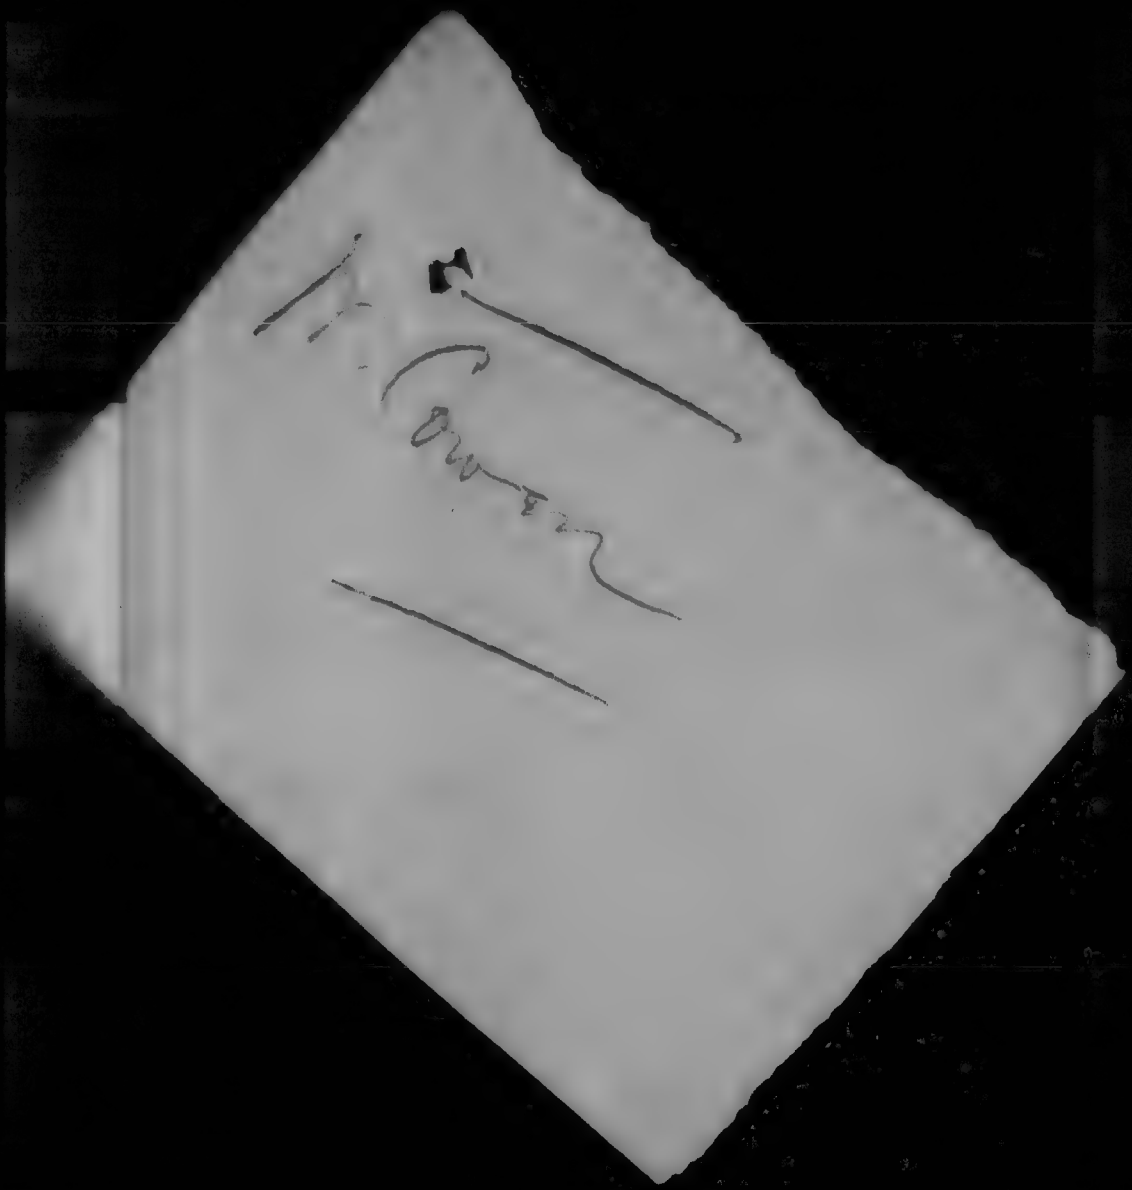

You will notice that it covers a part of the month of December, 1910, when the witness was not on his land land and consequently not in a position to corroborate the applicant's statements. However, you may feel inclined to accept. If not another witness will have to be obtained.
